Residential Care Administrator and Health Facility Administrator

Specialized Course of Study

Sponsored by:

Courses approved by IPLA, Indiana Professional Licensing Agency

Developed, Owned, and Provided by:

If you are looking to turn your “job” into a real career, **Success Development** and the **Indiana Health Care Association** could be your source to obtain that opportunity. **RCA/HFA** courses give you the chance to change your life and your situation. They allow the potential inside you to come out and fulfill your destiny. This state approved six-week program (four-week for RCA) will provide you the informational foundation needed to pass the **RCA/HFA** licensing exams—after completing your six-twelve month internship requirement in a residential care or health care facility.

Should you take the Course?

In as little as **nine-ten months**, you could be starting a rewarding and profitable career that could afford you a lifestyle that you have only dreamed about.

The course is required for those that do not otherwise meet the state’s education requirements. Even if not required, this 4/6-week course provides you with a more solid foundation to secure a Preceptor, maximize the AIT experience, and maybe shorten your licensing process.

Benefits of the Course

include but are not limited to:

- ✓ The potential to secure your career in a recession-proof industry and the potential of additional career options.
- ✓ The ongoing source to increase your skill sets.
- ✓ The highly qualified and caring instructors that are practicing professionals in the industry.
- ✓ The high standards of the Sponsor, **Indiana Health Care Association**, as a highly respected industry association.
- ✓ The collaboration between the course Sponsor and Course Provider is a true example of a Symbiotic Relationship.
- ✓ The program being developed, owned, and provided by **Success Development, inc.** – an organization with 20+ years serving others.

The Healthcare Industry

This is one of the fastest growing industries in America. The healthcare industry will continue to grow as the majority of America’s population continues to age. In fact, this will be the largest group of seniors the world has ever seen. There will be a great demand for healthcare. As a result, there will be a greater than ever demand for Residential Care and Health Facility Administrators. Without these administrators, the healthcare industry could virtually come to a standstill. They are critical to a functioning healthcare system
